e. All other elections as determined by the BOG	Procedures must be defined by the Elections Committee and approved by the BOG.

## **B. GENERAL ELECTION PROCEDURES**

1. A ballot will be provided to each member eligible to vote. Voting will be conducted electronically, unless otherwise determined by the BOG.

4. Write-in candidates shall be allowed if they meet the required qualifications for the position. (See Chapter II, Section 3 Voting Procedures, for more information).
5. Resolution of tie votes vary depending on election type:
  - a. Officer elections shall be determined by a coin toss conducted by the Election Committee with the participation of the tied candidates.
  - b. All other elections will be re-run until the tie is broken.
6. Election protests can be filed from the date of the Election Announcement until two days (48 hours) after the date and time that the unofficial election results are announced by the Election Committee via email and/or at [eaaunion.org](http://eaaunion.org). (See Chapter III, Section 2 Election Protest & Ballot Review Procedures, for more information)
7. Any questions pertaining to the voting, ballots or the election procedures shall be referred to the Election Committee

### **3. VOTING PROCEDURES**

All elections shall be conducted electronically, by secret ballot, unless circumstances dictate otherwise. The BOG must approve voting by other means. Electronic voting will follow these guidelines:

Additionally, write-in names must include the first and last name of the individual's name as it appears on their paycheck and be verified as dues-paying members in good standing via the EAA membership database by the date on the Election Announcement.

**CHAPTER III  
ELECTION RESULTS & PROTEST PROCEDURES**

- 1. ELECTION RESULTS PROCEDURES**
- 2. ELECTION PROTEST & BALLOT REVIEW PROCEDURES**
- 3. ELECTION COSTS**

## **1. ELECTION RESULTS PROCEDURES**

The BOG shall hire a Third Party that specializes in conducting union elections, to conduct an election. The Third Party will be provided with a membership list from EAA to distribute the ballots. The list will include all members eligible to vote per the guidelines laid out in Chapter II, Section 2 Election Procedures, which specifies voting eligibility.

The unofficial results are provided to the Election Committee after the Third Party has finished official tabulation, by the end of the specified Election Day. The Election Committee will present the unofficial results to the BOG for certification at the next BOG meeting.

### **A. ELECTION RESULTS NOTIFICATION & CERTIFICATION PROCEDURES**

Unofficial results shall be posted on the EAA website and emailed to the membership as soon as possible after they are received by the Election Committee to make them available to all members at the same time. They must be prominently marked as unofficial when they are posted.

The election results received from the Third Party are shared at the following BOG meeting by the Election Committee Chair(s). After the results are read and ratified, the report is conveyed to the Secretary to become part of the approved minutes, which shall be made available to members.

## 2. ELECTION PROTEST & BALLOT REVIEW PROCEDURES

As stated in Chapter II, Section 2 Election Procedures, subsection B General Election Procedures, election protests can be filed from the date of the Election Announcement until two days (48 hours) after the date and time that the unofficial election results are announced by the Election Committee via email and/or at [eaunion.org](mailto:eaunion.org).

The email must contain the submitting member's Employee ID, name (as it appears on the EAA membership database), and a valid reason for protest e.g. fraud, prejudice or clerical error are examples of appropriate grounds for protests. To be considered, protests must include evidence in support of the claim.

Protests that comply with the above requirements are evaluated by the Election Committee and reported to the President of the BOG immediately. The Election Committee shall meet no later than two (2) calendar days following the close of the protest period, to review the protests, determine findings and make recommendations (on substantiated protests) to the BOG. Details of all filed protests and their disposition/recommendation shall be included in their report, omitting identifying information of the protestor(s). The BOG makes the final decision on the disposition of substantiated protest(s).

### **3. ELECTION COSTS**

4. All candidates for Officer Positions must complete a successful Election Petition (See Chapter V, Section 2 Election Petition, for more details).

Candidates in Officer Elections are entitled to the following resources:

1. Candidate Statement distributed to the membership (See Chapter V, Section 3 Candidate Statement, for more details).
2. When available from the Third Party, Candidate Flyers, photos and contact information (if provided by the candidate) will be included on the ballot.

Each Officer candidate is required to circulate and complete an Election Petition (**See APPENDIX A**), in accordance with the following guidelines:

1. Election Petitions shall be distributed to the candidates via email upon request from the Election Committee ([electioncommittee@eaaunion.org](mailto:electioncommittee@eaaunion.org)) or may also be obtained from the EAA website ([eaaunion.org](http://eaaunion.org)).

The Election Committee will also notify those candidates who either did not meet the requirements or whose Election Petitions did not contain the required number of valid signatures.

Prospective candidates are encouraged to obtain more than the required signatures to avoid invalidation of their Election Petitions, in the event that any signatures submitted prove to be invalid.
